

Guide to Rubbish

There are **5 categories** of rubbish which are collected on 6 days of the week - always very early in the morning:

1. Organic/umido/kitchen scraps - Monday, Wednesday and Saturday
2. Plastics and metals - Monday and Thursday
3. Cardboard (Carta) - Wednesday
4. Glass - Friday
5. Non-recyclable - Tuesday

There is a leaflet about all this pinned to the noticeboard in the kitchen.

We store 4 categories of rubbish in a cupboard in the kitchen:

And glass bottles we keep in the next door cupboard with the gas bottle.

When it's time to put out rubbish (bagged up) go to the rubbish point by the entrance to the apartment grounds - don't use the grey wheelie bin - and be sure to hang up "umido" so the wild boars don't get it!
