

Napoli train station - Stazione Centrale in Piazza Garibaldi

Updated 7th May 2022

1) Go in and **find a ticket machine**. Select your language and then buy a ticket to **Pisciotta-Palinuro** – one way is about **9euros**.

The train you need is one going south probably to **Cosenza** or **Sapri** – there's a large display just like at Euston.

2) Before boarding the train **validate** it at a small machine just before the platform.

3) The stop before is **Ascea** then you go through a long tunnel and pop out immediately at the **Pisciotta train station** - 2hr train journey

Getting from the Pisciotta station to the apartment

Two options:

1. Walk - probably 20minutes
2. Book a taxi

Option One

Walking is relatively easy with spectacular views of the sea - no pavement but road not busy. Gentle down hill from station then flat past the Carabinieri building and keep left to go across the viaduct to the apartment on the right

Option Two

Ring up Nello +39 339 1491310 if you are a confident Italian speaker, or ring the local tourist office (Simonetta at Discover Cilento speaks English) and ask her to ring/book him - +39 0974 973555 or info@discovercilent.it
